

A FALL CALL FOR ALL

Summer is gone, it's officially Fall.
So let's have a contest! It's open to all!

The challenge is easy and lots of fun.
It features candy corn colors, just like the sun!

Stitch up a Dream Bag using orange and yellow.
Shades that are bright or soft or mellow.

Design it for either a girl or a boy.
One thing for certain it will bring a child joy.

You can run to your quilt shop or save all your cash,
By trading fabrics with friends and shopping your stash.

Each bag must have a casing that's 2" wide.
The toggle and cord Starlight provides.

One Dream Bag equals one chance to win,
So why stop at one? Or even at ten?

The prize? A certificate for a local quilt shop.
What an excuse to shop 'til you drop!

So bring those Dream Bags to the October guild meeting,
Starlight's own version of Quilt Trick or Treating!
