

Block 6

This month we'll make small blocks. You'll make 3—6 1/2 inch blocks and the filler blocks. I used triangle corner left-overs from the previous months blocks and squared up to 2 1/2 inches. Have a mix, with background and color choices.

Filler Blocks—feel free to use 1 piece of focus fabric, or any block choice you prefer. I used 1 1/2 inch strips sewn together and sub-cut 1 1/2 sections for my filler blocks.

Half Square Triangles: Using whatever method you're most comfortable with—make the following HST's. 2 1/2" x 2 1/2" (2-inch finished in block)

2/2" x 2 1/2"

Background Fab or Print

2 1/2" x 2 1/2"

Blue & Green Fab

2 1/2" x 2 1/2"

2 1/2" x 2 1/2"

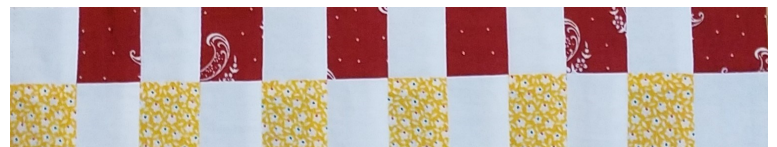

Yellow & Background Fab

Using Four Background 2 1/1 inch squares, Four 2 1/2 inch HST and One 2 1/2 inch center square, make a 9 Patch unit measuring 6 1/2 inches. You'll make 3 total.

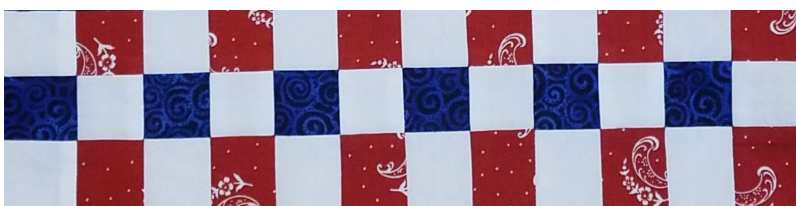

Filler Blocks: If you prefer to use a gorgeous focus fabric instead of cutting blocks—I think it would look gorgeous. Go wild!
