

Block One

Background Fabric—Cut

Five: $1\frac{1}{2} \times 1\frac{1}{2}$ inch square

Two: 2×2 inch blocks

Four: $1\frac{1}{2} \times 3\frac{1}{2}$ inch rectangles

One: $1\frac{1}{2} \times 12\frac{1}{2}$ inch strip

Eight: $1\frac{1}{2} \times 2\frac{1}{2}$ inch rectangles

Four: $1\frac{1}{2} \times 4\frac{1}{2}$ inch rectangles

Snowflake Main Fabric—Cut

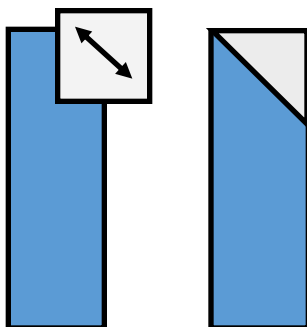

Two: 2×2 inch blocks

Four: $1\frac{1}{2} \times 4\frac{1}{2}$ inch strips

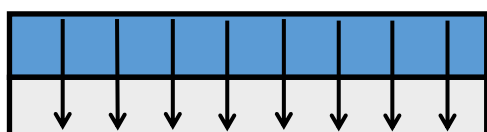

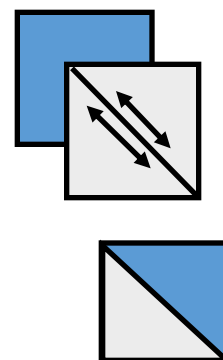

One: $1\frac{1}{2} \times 12\frac{1}{2}$ inch strip

Block Assembly: Step 1

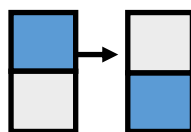

Using the Four— $1\frac{1}{2} \times 4\frac{1}{2}$ inch Main fabric rectangles and Four of the $1\frac{1}{2} \times 1\frac{1}{2}$ inch background squares— sew the squares on the top corner of the rectangle. Make 4 identical units.

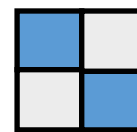

Using the Two (of each) Background and Main color 2×2 inch blocks—make 4 half square triangles by drawing a line down the center of the light block—and sew a quarter inch seam on each side of the line. Cut on the drawn line— Square up the 4 units to $1\frac{1}{2}$ inch

Sew together both Main fabric and Background $1\frac{1}{2} \times 12\frac{1}{2}$ inch strips—then sub-cut into Eight $1\frac{1}{2}$ inch units.

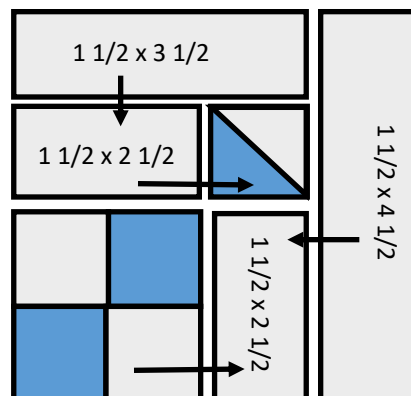

Using Two of the sub-cut units, flip and sew together a four patch unit.

Using the same process, continue to make a total of Four 4-patches units. Should measure $2\frac{1}{2} \times 2\frac{1}{2}$ inch unfinished.

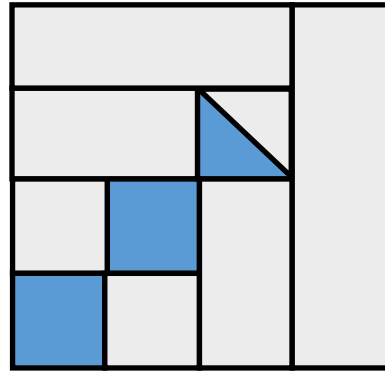

Step 2

Creating the corner unit: Start with One 4-patch unit, and One $1\frac{1}{2} \times 1\frac{1}{2}$ inch half square unit, plus Two $1\frac{1}{2} \times 2\frac{1}{2}$ rectangles. Once smaller units are sewn together, add the $1\frac{1}{2} \times 3\frac{1}{2}$ inch rectangle, and lastly adding the $1\frac{1}{2} \times 4\frac{1}{2}$ inch rectangle.

Block One, pg 2

Make a total of 4 corners units identical to this one.
Unfinished unit should measure 4 1/2 x 4 1/2 inches.

The Finish

Arrange the Step 1 rectangle units between the Step 2 corner units as shown.
Use the last remaining 1 1/2 x 1 1/2 inch background block for the center.
Assemble in 3 rows, then join the rows to complete the block.

Block will finish 9 inches, 9 1/2 unfinished
