

Confetti Landscape Art Quilting - 1-Day Workshop with Rhonda Denney - Starlight Quilt Guild - March 25, 2026

Are you one of those quilters who keeps all your fabric scraps, knowing that there must be some creative way to use them? Well, making Confetti art quilts sounds like a plan!

In this 1-day workshop, an introduction to the Confetti technique, you will create a small (12" x 15") confetti landscape art quilt project. Rhonda has 3 different landscape patterns from which to choose (see photos below).

Each Workshop Supply Kit (\$20) includes one sized pattern, along with a reference photo. Sign up for the pattern(s) of your choice (you can order more than one) and Rhonda will bring them to the workshop. The Supply List details everything else you need to bring with you.

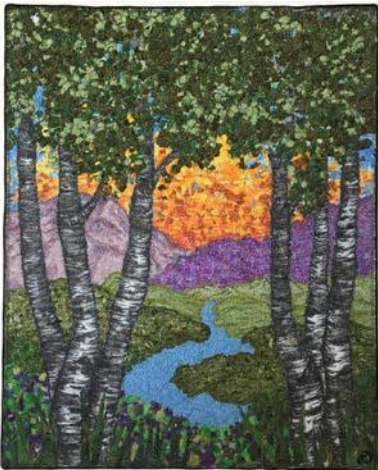

The sample pictures below show some variations you can create. You choose the season and the look you want!

During the workshop, you will transfer the pattern to your fabric and start creating using small pieces of fabric. Rhonda will guide you, providing tips along the way. There may not be time to sew on your confetti creation, but Rhonda will show how so you can complete your project at home.

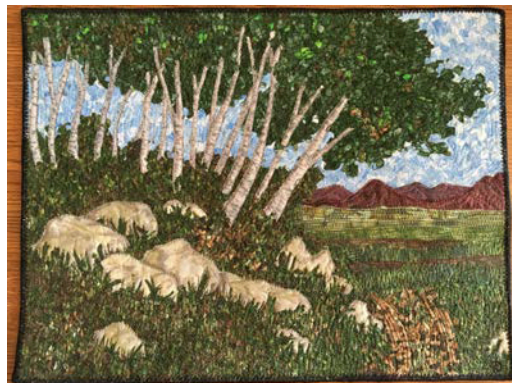

Don't worry! You do not need to be an "artist" to create a beautiful landscape project! So, come prepared to expand your interpretation of what you can create with scraps of fabric and threads!
